business in this state and whose name is on file with the County Clerk of Los Angeles County as an approved and financially sound surety company.  
 The right is reserved to reject any or all bids not suited, in the judgment of the Board of Supervisors, to the best interests of the District.  
 Further information will be furnished and proposal blanks, drawings and copies of the specifications may be obtained at the office of the Chief Engineer of Los Angeles County Flood Control District, Room 106, 2250 Alhambra Street, Los Angeles, California, upon payment as follows:  
 If drawings and specifications are picked up at the District's office, the purchase price is \$2.58 for each set which must be paid at the time the drawings are picked up. Please note that upon payment of the appropriate purchase price the drawings and specifications become the property of the purchaser and are not to be returned to the District for refund.  
 If the drawings and specifications are requested by mail the purchase price is \$5.16 for each set and the request must be accompanied by a check or money order in full payment for the set or sets desired. Please note that upon payment of the appropriate purchase price the drawings and specifications become the property of the purchaser and are not to be returned to the District for refund.  
 The above prices include State and tax.  
 The successful bidder will be required to observe all applicable provisions of the Labor Code of the State of California, which provides, among other things, that work may be performed by employees of a contractor upon public work in excess of eight (8) hours per day upon payment of compensation for all hours

**Public Notice**
